Hello and Thank you

Hello!

Thank you so much for your support; I hope you are managing ok at this time, and that you have been able to enjoy your summer.

I'm sending a quick update to introduce you to my new body of work, which can be viewed on my website via the link below. Please have a look if you would like to.

These new figurative paintings are inspired by a blue figure in chaotic landscapes of ferns and dissolving stained glass. My aim is to try to release some emotion into, and hopefully from, them.

I hope you like them!

Take care, much love,
Louise
